**10. BASIC INFORMATION**: (List each person in the household for whom application is being made, including yourself.) List adult applicants first, beginning with the <u>female</u> adult, then the oldest to the youngest child.

For NJ SNAP purposes, people who live, purchase food and eat with you should be counted as household members.

NOTE: The submission of Social Security numbers (SSNs) for all household members is authorized under the Food Stamp Act of 1977, as amended, 7 U.S.C. 2011-2036; Public Law 104-193 requires the submission of SSNs for all individuals applying for WFNJ. Your SSN will be used to determine whether your household is eligible or continues to be eligible to participate in the NJ SNAP Program and/or WFNJ program. We will verify this information through computer matching programs. This information will also be used to monitor compliance with program regulations and for program management. This information may be disclosed to other Federal and State agencies for official examination, and to law enforcement officials for the purpose of apprehending persons fleeing to avoid the law. If a NJ SNAP claim arises against your household, the information on this application, including all SSNs, may be referred to Federal and State agencies, as well as private claims collection agencies, for claims action. The providing of the requested information, including the SSN of each household member, is voluntary for NJ SNAP purposes. However, failure to provide this information will result in the denial of NJ SNAP benefits and/or WFNJ benefits to your household.
